

Founded in 1926, The International Association of Plumbing and Mechanical Officials (IAPMO®) employs a diverse team of world class professionals that includes engineers, scientists, technicians, and industry experts and leaders. We are currently seeking a Regional Field Manager, Region 6 (New Jersey, Pennsylvania). We value and employ individuals dedicated to our mission by offering:

- ✓ A competitive salary and benefits package, such as no cost health, dental, life, AD&D, and LTC
- ✓ 11 paid holidays, 10 days per year of vacation, and 15 paid sick days per calendar year.
- ✓ 401k and profit sharing
- ✓ Plus, much more!

Job Description:

- Establishes, maintains, and manages Region 6 of the IAPMO Field office.
- Coordinating all activity with the Senior Vice President Field Services and Senior Management staff of IAPMO.
- Provides support to jurisdictions as assigned utilizing Codes and Standards.
- Develops new jurisdictions and recruiting for existing areas.
- Develops new markets and customers.
- Collaborating with IAPMO Government Relations to help facilitate the organizations public policy objectives.
- Maintaining and building relationships with elected and appointed government officials.
- Monitoring and reporting on any legislation change that impact IAPMO's codes products and other services.
- Develops new IAPMO memberships and chapters.
- Sends out communications using print and electronic media to keep the public and industry informed about IAPMO and its activities.

Education and Experience:

- BA/BS degree in business, political science, construction management, or related field or combination of education and similar work experience.
- 5 years Trade knowledge and or experience in plumbing & mechanical industry.
- Working knowledge of political and governmental processes.

Knowledge, Skills and Abilities:

- Public speaking in front of large and small groups.
- Ability to navigate and utilize virtual platforms when offered.
- Strong working knowledge of political and government processes.
- Ability to travel up to 50% Internationally/Nationally in a calendar year.
- Solid PC skills.
- Working knowledge of Microsoft office software to operate spreadsheet and word processing applications (i.e., Microsoft Excel, Microsoft Word, Microsoft PowerPoint).
